Dear

I am distributing the enclosed preliminary NCS System Description to members of the CGCPP Support Group for their information. This document represents a compilation of descriptions of NCS assets as provided some time ago by the NCS Operating Agencies and has not been formally coordinated with those agencies as yet. Consequently, the information contained therein may be subject to some modification during the staffing process. Resource information associated with the described assets may be found in the NCS Annual Plan (FY 72-76) which was forwarded to OTP by the Executive Agent, NCS, on 26 July 1971.

Sincerely,

25X1
